## SKILLS

### PROGRAMMING

C • C++

JavaScript • HTML5 • CSS3

### FRAMEWORKS/LIBRARIES

NodeJs • jQuery • AngularJs

AWS Cognito • LeafletJs • ui-select

Bootstrap • Express

### DATABASE

SQL • Postgres • MongoDB

### TOOLS

Git • Adobe PS • SublimeText

WebStorm

### OS

Linux • Windows

## INTERESTS

Yoga • Guitar • Sports

Photography

## EXPERIENCE

### SWANITI INITIATIVE | FULL STACK WEB DEVELOPER INTERN

June 2017 – July 2017 | Delhi

- Created Data Clean Tool for data collected via surveys conducted all over India.
- Maintained history of all operations performed using Data Clean Tool so user can revert back to previous state (Undo/Redo).
- Developed REST API and secured them using AWS Cognito sessions.
- Cleaned data was represented on India map using LeafletJs for detailed analysis.
- Tech Stack: NodeJs, JavaScript, AngularJs, Postgres

## PROJECTS

### CONTACT DIRECTORY

- Implemented a TRIE which can store contact numbers with their names.
- Other Data Structures offer high time complexities whereas TRIEs can handle this in constant time.

### INCREDIBLE INDIA WEBSITE

- Created a tour website for tourist spots in India.
- Tech Stack: JavaScript, NodeJs, MongoDB

## COURSES

### ALGORITHMS: DESIGN AND ANALYSIS | STANFORD UNIVERSITY

- Learned algorithms involving Graphs, Trees, Greedy Algorithms, and other Data Structures.

### WEB DEVELOPMENT | UDEMY

- Frontend: HTML5 | CSS3 | JavaScript
- Backend Stack: NodeJs | MongoDB | JavaScript

## POSITIONS OF RESPONSIBILITY

### CEREBRATE-DEBATING SOCIETY | CO-FOUNDER

- Co-founded Public Speaking Society "CEREBRATE" in College.

### CEREBRAL- LITERARY FEST | VICE PRESIDENT

- Led a team of 20 people to hold 6 events in the Literary festival - Cerebral which was held at Maharaja Surajmal Institute of Technology on 13-14 Aug 2016.
